FCC Form 471 Application Nickname: 2018 471 Internet

Challis Joint School District 181, a small, rural school district in central Idaho, respectfully requests a waiver of the Funding Year 2018 FCC Form 471 application filing deadline.

There was some confusion on our part as to when the FCC Form 471 filing deadline was, and we did not file our FCC Form 471 by the closing date of March 22, 2018. On March 23, 2018, a representative from the Idaho Department of Education contacted us to let us know we had missed the deadline and what options were available to us.

We completed and certified the above-mentioned FCC Form 471 on March 23, 2018, which is within the 14-day grace period. We understand the FCC must approve this appeal, and respectfully request it be approved. Without our projected 70% discount rate and the reimbursement of the remaining 30% from the Idaho Department of Education, our district would suffer from having to bear the full cost of our internet service for the upcoming school year.

Thank you very much for your time and consideration in this matter, and please feel free to contact me if more information is needed.

Respectfully submitted this 23rd day of March, 2018.
